

The Smart Guide to...

Blue Ribbon Customers - Who to Contact

Loan enquiries

When I am enquiring about a loan who do I contact?

Our role at Blue Ribbon Home Loans is to discuss your scenario, assess your financial situation, suggest possible loan options, assist you with completing the necessary paperwork and then liaise with the lender regarding your approval and settlement. There is no guarantee of approval but we will try our very best on your behalf and give you the benefit of our years of experience.

Our Loan Consultants are available during the day and they specialise in:

- new loan scenarios
- purchases
- refinances
- first home buyers
- lo-doc
- self-employed applicants
- top-ups for existing customers
